

18th November 2022

Dear Parents,

What a week we have had. The school is bustlingly busy! The children and adults are working incredibly hard and the school is a joyous place to be. It is lovely to have parents join us in our Friday Celebration Assembly to share in the success of the children – we hope to see many more of you in the weeks to come.

Miss Zialor

Miss Zialor joined us back in September to complete her teacher training and this week she delivered her final assembly! Miss Zialor is a commonwealth athlete and she shared with us her story of success. It is wonderful to have someone with us who has shown all our school values: Ambition, Resilience and Respect and through them, has achieved so much.

Congratulations

It was a double whammy in assembly this week. Not only did we celebrate our value of respect with our children but many of our parents have been involved in a range of courses through Conway thanks to the wonderful Mrs Shafiq. Today we presented the parents with their certificates. It was fabulous to see how proud the children were of their mums.

Parent Meetings

This week we delivered the last of our curriculum meetings for the half term. We have been really pleased to see so many parents joining us and the feedback has been really positive. If you have feedback for anything you would like added to these meetings, please let us know. Over the next few weeks we will be holding reading workshops for each year group so please do try to join us so that you can get hints and tips for reading with your child.

Anti-Bullying Week

We started the week with Odd Socks Day to raise awareness of bullying – what it is and what to do about it. We have also looked at ways to keep ourselves mentally healthy and strategies we can use when we feel worried or upset. We finished to week with a non-uniform day for Children in Need. A huge thank you to everyone who has donated money to such a deserving cause.

Reception Places

If you, or someone you know, has a child who will be starting reception in September 2023 please call the office on 0121 675 0622 to make an appointment to come and look around and ask any questions you may have.

Have a wonderful weekend.

Best wishes,

Mrs R Eaton
