

26th May 2023

Dear Parents,

It is hard to believe we are already at the end of the first half of the summer term. How lovely to see the sunshine and hopefully have a lovely warm week to rest and prepare for the next half term – which will be super busy as always!

SATs

Our Year 2 & 6 classes have worked so hard to get their SATs completed and today they were treated to a visit from the ice cream van. It was wonderful to see them so relaxed and enjoying time socialising with their friends.

We also celebrated with our Year 6 pupils by having an afternoon tea this week – it was a lovely afternoon with so many families joining us.

Workshops

Over the last couple of weeks we have held Lexia and Letterjoin workshops for each year group. Thank you to everyone who joined us, please do make sure that your children are accessing things over the break – any issues, please let your child's teacher know.

Times Table Rockstars

On Monday, we had our Times Table Rockstars launch. (Some of you were lucky enough to see me in my rock persona on the gate at hometime!) Every child has a log in so that they can practise and improve their times table recall – this is such an important skill as so much of our mathematical learning depends upon knowing the basics.

Grammar Schools

At Conway we have received the message below:

We write to advise that registration is now open for parents of current Year 5 pupils who would like their child to sit the entrance test for a place at any of the grammar schools in Birmingham (entry to Year 7 in September 2024). Registration can be made online by visiting the website below. The closing date for registering is 4pm on 30th June 2023. The test will take place on 16th September 2023.

www.westmidlandsgrammarschools.co.uk

I hope you have a wonderful break and we look forward to seeing you at 8:30am on Monday 5th June

Best wishes,

Mrs R Eaton
