

September 29th 2022

Dear Parents,

It is hard to believe that we have passed the halfway point of this half term. The days are flying by and so much is happening in school. A huge thank you to everyone who has joined us for the curriculum mornings. It was wonderful to have such a large turnout of parents eager to support both the school and their child's learning. We will be holding these meetings each half-term to keep you updated and involved in what is happening in school.

Harvest Festival

Year Four have been busy preparing for the Harvest Festival and I am hoping that many Year Four parents will join us on 20th October at 9am. All parents are welcome to begin sending in food (no fresh food please) which will then be shared with our local food banks. As always, please only send what you can afford; there is no obligation to send anything.

Beat the Street

This is a new initiative to get children and families out and about spending time together. Every child will have come home with the information cards. Beat the Street aims to get families physically active and having fun. Being physically active improves physical and mental health and boosts mood, immunity and helps to relieve stress.

Parking

This week PC Whelan and her colleague joined us on Conway Road. The parking recently has been horrendous and put the lives of our children and families at risk. If you can, please walk to school. If you must drive, consider setting off five minutes earlier and parking further away. Double parking is always unacceptable. Your support in this would be much appreciated.

Science Fair

For those of you that have attended our curriculum mornings, you know that this is coming! On Wednesday 19th October we will be hosting our first Science Fair. To hold a fair, we need science to share! Miss Grogan has spoken to all of the children and their ideas are fabulous. A Marvellous Me will follow shortly with the children's ideas on it. We would like you to work as a family to create a project linked to connections. This can be absolutely anything that matches the theme. We are excited to see what you think of!

Head Boy, Girl and Prefects

It was a very proud day on Monday when we heard speeches from twenty of our Year Six pupils who were keen to be part of our pupil leadership team. They showed great maturity and a real desire to support others to improve our school further. Every child and adult had the chance to vote and we were delighted to announce our new leaders yesterday. Photos to follow...

Celebration Assembly

Well done to everyone who received a certificate in celebration assembly today as we celebrated our value of resilience. It was especially lovely to be joined by a growing number of parents.

Have a wonderful weekend,

Mrs R Eaton
